

REPLICA RAILWAYS

CATALOGUE NUMBER 1. 1987/88

REPLICA RAILWAYS

'Authentic' and 'Realistic' – just two words to describe the Replica Railways range of '00' gauge 4mm scale ready to run models. Each one captures the subtle colour shades and markings of its original full size counterpart, while the finest and most accurate attention to detail reflects the painstaking research carried out.

The following comprehensive list shows all the items available now or within the next six months from authorised Replica dealers. If you experience any difficulty in obtaining the Replica range contact us for your nearest Stockist.
